

STATEMENT OF PARMOD KUMAR, M.D. RELATED TO TLHD

I understand the concerns expressed by the Board of Directors of the Tulare Local Healthcare District and the community related to the Healthcare Conglomerate Associates' management of the District and Tulare Regional Medical Center as well as the criminal charges brought against some of the people involved. I recognize that I was on the Board during part of the HCCA's management of the hospital's operation and to the extent any of my acts or omissions as a director may have related to the outcome, I apologize.
